

Catalog Number

49312-T02

Union, connector, Tee, low pressure, 2 barbed 1/16 inch to one 1/8 tubing connection. Polypropylene. ARE-Applied Research brand. Bulk Price.

Additional Info

This polypropylene union / adapter allows you to connect, split or combine low pressure flow of liquid from 1/16th inch ID tubing to 1/8th inch ID tubing.

- Maximum Temperature: 100°C
- Maximum Pressure: 1,000 psig.
- Click [HERE](#) for economical pack of 10.

This Tee (T) connector has two barb fittings for 1/16 inch tubing and one barb for 1/8th inch tubing (connections). With this you can "blend the flow" of two lines or "split the flow" into two outward lines of liquid, depending on which flow direction you use.
