TSCA conformity declaration

Dear Customer,

This is to certify that the products manufacture and distributed by MicroSolv Technology Corporation in Leland, North Carolina, USA, do comply with the TSCA (Toxic Substances Control Act.)

Manufacturing is performed using chemicals in accordance with the regulation in Section 8 (b) of the TSCA (Toxic Substances Control Act) which requires the EPA to compile, keep current and publish a list of each chemical substance that is manufactured or processed, including imports, in the United States for uses under TSCA. Also called the "TSCA Inventory" or simply "the Inventory." it plays a central role in the regulation of the most industrial chemicals in the United States of America.
