

Who is the manufacturer of the Chemical Solutions PQ, HSQ and UV calibration kits - FAQ

Date: 24-MARCH-2017 Last Updated: 18-OCTOBER-2025

PQ™, HSQ™, and UV-Vis Calibration Kits – Manufactured by MicroSolv Technology Corporation

MicroSolv Technology Corporation is the exclusive manufacturer of the Chemical Solutions brand PQ™, HSQ™, and UV-Vis Calibration Kits. Each kit includes a Qualification certified HPLC column engineered by MicroSolv, along with NIST-traceable calibration solutions and proprietary software.

All components—columns, solutions, and software—are developed, validated, and tested by MicroSolv to ensure consistent performance and verified shelf life over time.
