

## Certificated RSA Autosampler Vials - Tech Information

*Date: 28-DECEMBER-2013 Last Updated: 11-DECEMBER-2025*

The RSA™ vials and inserts do not come with an ISO certification. However, the process with which the vials are manufactured and handled is in ISO certified facilities.

A certificate of QC conformance for RSA Vials or Inserts is available upon request. Please contact [Customer Service](#) for assistance to obtain the certificate.

Click [HERE](#) for ordering information for RSA vials and pictures
