

Are the RSA Autosampler Vials ISO Certified - FAQ

Date: 28-DECEMBER-2013 Last Updated: 27-OCTOBER-2025

No, the RSA™ vials and inserts do not come with an ISO certification.

However, the process with which the vials are manufactured is ISO certified. A certificate of QC conformance for RSA vials or inserts is available upon request. Please contact [Customer Service](#) for assistance to obtain the certificate.
