

How are MICROSOLV Brand Autosampler Vials Packaged to Ensure no Contamination - FAQ

Date: 30-MARCH-2012 Last Updated: 27-OCTOBER-2025

All MICROSOLV brand vials that carry a *CleanPack™* label on the front side of the polypropylene box have been packed in a certified clean room, class 10,000 after having passed the Lehrer oven at approximately 600°C.

You consumer can rely on clean, uncontaminated vials for a correct analysis.
